

Mapa político con sus 81 provincias, la capital y las principales ciudades

A detailed map of Turkey, showing its provinces and major cities. The map is color-coded by province. The Black Sea (Mar Negro) is to the north, and the Mediterranean Sea (Mediterráneo) is to the south. Neighboring countries are labeled: Bulgaria, Georgia, Armenia, Iran, Iraq, and Syria. The island of Cyprus (Chipre) is shown in the Mediterranean. Major cities are marked with dots and labeled: Istanbul, Ankara (marked with a red star), Bursa, Izmir (Esmirna), Antalya, and many others. The map also shows the Dardanelles and Bosporus straits.
